Application for a New Zealand Passport
Uruwhenua Aotearoa

USE THIS FORM if you are applying for a New Zealand Passport for a child who is under 16 years of age.

Children require their own passport to travel. A parent or legal guardian must give their consent before a passport can be issued to a child.

Use the Adult or Adult Renewal form if the child is 16 years or over.

Our New Zealand Passport
Our passport is valued and respected around the world for its integrity. We ask you to provide a range of information so that we can maintain its integrity by confirming the child's identity and entitlement to a New Zealand Passport.

The New Zealand Passport is valid for a maximum period of 5 years. The validity period starts from the date of issue and runs until the date of expiry.

What you need to complete this application

► Two (2) identical recent colour photos of the child
► Someone to act as a witness who is over 16 years of age and has a valid New Zealand Passport
► The correct application fee

Sending original documents

Sometimes we may ask you to send us original documents. In most cases, we only need original documents if they have been issued outside New Zealand.

How to complete this application form

Use this guide section to help you to fill in the form. The numbers in this guide will take you through each step in the form.

READ ALL INSTRUCTIONS CAREFULLY

Check you have answered all the questions on this form that relate to the child. We can only process the application if you complete the form accurately. If you miss out any details we may need to contact you and there may be a delay in processing the application.

This application form will be scanned and processed using computer software. We ask you to follow the instructions below to improve the accuracy and efficiency of our scanning and data capture.

- Use a BLACK or BLUE ballpoint pen.
- Write in CAPITAL letters inside each box like this A B C 1 2 3 , NOT like this a q C 7 8 6
- Tick options inside the boxes like this ✔, NOT like this ✔
- Put a line through mistakes like this A B C . DO NOT use correction fluid or correction paper.

1 Child's personal details
   Names
   Write the name you want to appear in the child's passport. This name must be a name that is officially registered; for example, a name by birth, a name changed by deed poll or statutory declaration, or the name on the child's citizenship certificate. Do not use nicknames or names that the child is “commonly known as”.
   - Surname or family name is also known as last name
   - First and middle names are also known as given names. These are any names the child has apart from their surname
   - If the child only has one name, write it in the space provided for surname or family name.

   Height and eye colour
   Height and eye colour is important information. We can't process the application without it.
   - Fill in the child's height using centimetres
   - Choose an eye colour that is closest to the child's, such as brown, blue, green, grey, hazel or black.

2 Child's contact and delivery details
   Child's home address and phone number
   This is the place where the child is currently living. Do not give a box or bag number, or a 'care of' (c/-) address.
   - Example of how to enter a phone number:
     + 064 04 47 48 100
     - Country code
     - Area code
     - Phone number

   Child's delivery address
   - If you want the child's passport delivered to a home address in New Zealand, someone must be at home to sign for it. If there is no one at home to sign for it, you will need to organise a redelivery
   - If you want the child's passport delivered to a business, tell us the name and the address of the business
   - If you want the child's passport delivered by international courier you must provide a street address, not a Post Box number.

3 Child's previous New Zealand Passport or other New Zealand travel document
   If the child has ever had a New Zealand Passport or other New Zealand travel document, you must fill in this section.

   New Zealand Passport
   You are not required to send the child's previous New Zealand Passport in with this application.

   WARNING Once the child's passport application has been received, the old passport will be cancelled immediately and cannot be used for travel. Anyone attempting to travel on a cancelled passport will be refused travel.

   Other New Zealand travel document
   You are required to send us the child's previous New Zealand Refugee Travel Document, Certificate of Identity or Emergency Travel Document, with this application whether it is expired or not. This travel document will be cancelled and retained by the Passport Office.
   If the child's document has been lost or stolen, fill in section 8.

4 Child's entitlement to a New Zealand Passport
   Only New Zealand citizens are entitled to a New Zealand Passport. The information you give us will help us confirm that the child is a New Zealand citizen.
   Children born in New Zealand, Niue, the Cook Islands or Tokelau before 1 January 2006 are automatically New Zealand citizens by birth.
Children born on, or after 1 January 2006 are only New Zealand citizens if at least one of their parents was a citizen or permanent resident of New Zealand, Niue, the Cook Islands or Tokelau at the time of the child’s birth. The child’s birth record will clearly state if a child born on, or after 1 January 2006 is not a citizen by birth. If a child is not a New Zealand citizen by birth, he or she must obtain citizenship before they are entitled to a New Zealand Passport.

**Born in New Zealand and a citizen by birth**
If the child was born in New Zealand and is a citizen by birth tick this option to indicate their entitlement.

**Born in Niue, the Cook Islands or Tokelau and a citizen by birth**
If the child was born in Niue, the Cook Islands or Tokelau and is a citizen by birth, tick this option to indicate their entitlement.

You will need to send us the child’s original birth certificate if:
- you are applying for the child’s first passport, OR
- the child’s name has changed since their previous passport was issued, OR
- the child’s previous passport has been lost or stolen.

**New Zealand citizenship by grant or descent**
If the child has obtained New Zealand citizenship either by grant or by descent, fill in the child’s name and citizenship certificate number in the spaces provided.

If you believe the child is entitled to citizenship but has not obtained a citizenship certificate, you will need to contact the Citizenship Office (you must determine the child’s citizenship status through the New Zealand Citizenship Office before we can issue them with a New Zealand Passport. Visit www.citizenship.govt.nz for more information).

### Names at birth
To confirm that the child is entitled to a New Zealand Passport, we need to know their name at birth. We also need to know the names of the parents as they appear on the child’s birth record, and the mother’s name at her birth.

If the child was legally adopted, write the names of the adoptive parents and the names that the child was given after adoption.

This information should match what is written on the child’s birth record.

### Name change by statutory declaration or deed poll
If the child’s name has ever been changed by statutory declaration or deed poll, you must fill in this section.

Write the child’s most recent name change. If the name has been changed more than once, write the details on a separate piece of paper and send it with this application form.

For any name changes made outside New Zealand, you need to send us the original documents with this application.

If the child was born overseas, you need to send us the original name change documents for any name change registered in New Zealand before 25 January 2009.

### Child’s emergency contact
Give us the name and contact details of a person who can be contacted in emergency situations.

If the child has an accident, becomes sick, or is involved in an incident while they are travelling overseas, someone can be contacted on their behalf. We recommend that you choose a person who is not likely to be travelling with you or the child.

### Declaration for a lost or stolen passport, or other travel document
Fill in this section only if the child’s passport or travel document has been lost or stolen.

If the child’s passport or travel document has been lost or stolen in New Zealand, you must advise the Department of Internal Affairs immediately and report the loss or theft to the police. You will need to obtain a police report and send it to us with this application form.

If the child’s passport or travel document has been lost or stolen outside New Zealand, then contact your nearest New Zealand Passport Office or New Zealand Embassy or High Commission, and report the loss or theft to local police. You will need to obtain either a local police report, a Crime Reference Number (UK), Police Report Event Number (Australia), or a local police equivalent for other countries.

If the child requires a replacement passport, complete this application form, including the Declaration for a lost or stolen passport or other travel document.

If the child was born in Niue, the Cook Islands or Tokelau, you will need to send us their original birth certificate to obtain a new passport.

The loss or theft of a passport or travel document is a serious matter. If the child’s passport has been lost or stolen, processing may take longer as we may need to make further enquiries.

### Statutory Declaration
**What is a statutory declaration?**
A statutory declaration is a written statement declaring something to be true in the presence of an authorised witness.

**Will I need to complete this section?**
Complete the statutory declaration only if any of the following apply to the child:
- the child is wearing a head covering or headband in their passport photos for medical or religious reasons
- you wish to provide additional information, or an explanation, about the child’s application.

Tick the declaration statement that applies to the application and provide additional information as necessary.

Enter your name, home address and contact details in this section (not those of the child).

You will need to find an **authorised witness** before you sign and date the declaration.
Who can be an authorised witness for a statutory declaration?

The witness for a statutory declaration must be one of the following:
- Justice of the Peace
- Member of Parliament
- Lawyer
- Registered Legal Executive (Fellow of NZILE)
- Government Officer authorised to take statutory declarations.

When you have found a witness, you may need to make an appointment with them and take the child’s application form with you.

You must sign and date the statutory declaration section in front of the witness, and then the witness must sign to confirm that you have signed the declaration in front of them.

10 Consent for issue of a passport to a child

Who can give consent?

Consent to issue a passport to a child must be given by a parent named on the child’s birth record or by a legal guardian.

A legal guardian is someone who has been appointed through a court process or in a parent’s will.

Legal guardianship

If you are the child’s legal guardian send us the original:
- guardianship order if you are a court appointed guardian of the child, OR
- the parent’s will appointing you as a testamentary guardian and the parent’s death certificate.

A parenting order (also known as a custody or access order) does not give you legal guardianship. A step-parent is not a child’s legal guardian unless they have been appointed through a court process or in a parent’s will.

The Care of Children Act 2004 requires that, where possible, all the guardians of a child must be consulted when making decisions about important matters affecting the child. The parent or guardian completing the application for the child is responsible for consulting with the other parents or guardians of the child.

Your name and date of birth

Write the name you currently use and your date of birth.

If your current name is different from what is written on the child’s birth record or guardianship order, write the place and date that the name change took place.

Send us your original marriage or civil union certificate if your marriage or civil union took place outside New Zealand.

Send us your original change of name by statutory declaration or deed poll certificate if you were born overseas and your name change was registered in New Zealand before 25 January 2009.

Your contact details

Your home address
This is the place where you are currently living. Do not give a box or bag number or a ‘care of’ (c/-) address.

Your contact details
We need your contact details in case we have questions about the child’s application. Write in phone numbers and an email address so we can contact you.

Who can discuss this application with us?
We can only discuss the details of a child’s application with the parent or guardian giving consent on the form, unless the parent or guardian giving consent gives us permission to talk to someone else.

Court orders

A court order can be made that prevents a child from leaving New Zealand. If the order has been made in a New Zealand court, or made overseas and registered in New Zealand, we will not issue a passport to the child until directed by the court.

A parenting order will not prevent the other parent or guardian(s) from getting a passport for the child.

If you are unsure about court orders, you may wish to contact a lawyer for advice.

11 Child’s name for the witness to confirm

Write the child’s name as it appears in section 1 of this form so the witness can confirm the child’s identity.

12 Witness section

Please get your witness to read this section of the Guide Notes before they fill in section 12.

Child’s witness

The child’s witness must fill in this section in their own handwriting, write the child’s name on the back of one photo, and sign and date the back of the photo.

Who can be the child’s witness?

The child’s witness must:
- have a valid New Zealand Passport
- have known the child for 1 year or more, or since birth for a child under 1 year old
- be 16 years of age or older
- not be related to the child; for example, the child’s witness cannot be their parent, brother, sister, aunt, uncle or cousin
- not live at the same address as the child.

The child’s witness needs to provide their passport number, name, date of birth and contact details, including a day-time phone number.

Child’s witness writes on the back of one photo

The child’s witness must write the child’s full name, their own signature and the date on the back of one photo. A business that takes passport photos will usually supply one photo with a pre-printed label on the back.
Witness declaration
The child’s witness must sign and date the declaration to show they understand their obligations under the law.

Photos – getting passport quality photos
Provide two identical colour photos that are less than 6 months old and send with this application.
New technology has been introduced to scan passport photos and ensure that they meet international travel standards. We strongly recommend that you obtain the child’s photos from a business that provides a passport photo service, as the business will help ensure that the photos meet our requirements.
Photographs that do not meet our requirements will NOT be accepted and this will delay the issue of the child’s new passport.
To help you avoid some of the most common problems with photo quality, we have summarised the main requirements below and provided some sample photos.
